

Our Mission:

We preserve natural habitats in southeastern Connecticut by acquiring and protecting lands, and communicating the value of these irreplaceable resources.

About Us:

Avalonia Land Conservancy, Inc. is a non-profit land trust dedicated to the conservation of natural areas. We believe it is essential to conserve our natural resources for the benefit of wildlife, our present generation, and the generations yet to come.

Avalonia now holds more than 3,200 acres of land, preserved in perpetuity as natural open space. Where it is appropriate, trails are maintained for 'passive' enjoyment, such as hiking, bird-watching, nature study and photography. We ask that you take only pictures and leave only footprints. Avalonia encourages educational activities and scientific studies on its preserves.
